confidence." Alger optimistically prepares for the upcoming game against McCallum. "I know we are going to go all the way," he said.

The Raiders celebrated a hard-fought and must-have 35-10 victory against the Vista Ridge Rangers last Friday at

John Gupton stadium. Immediate plans for another face-off, another half-time performance, a first-ever playoff pep rally, and possibilities for more wins this

season left the Royals and the Raiders ready for more.

"I never had a doubt that we could make it to the playoffs this year," said Sophomore wide receiver Andre Alger. "We all came together as brothers and learned our roles on the football team. Just to know that the guy you're playing next to is going to lay everything down on the line for you gives you

Sophomore Royal Lindsey Woods felt a thrill of excitement after winning against Vista Ridge. "It was really amazing to witness history being made for our school," she said. "It really shows the improvement happening here in our school and in our programs."

## Royals race for the cure

**T**he Royals rallied together to power-walk in pink to show their support for Austin's annual Susan G. Komen Race for the Cure on November 4 in downtown Austin.

With Over 13 thousand registered participants, the race is by far the most influential in local efforts to provide support to those in the Austin area who are affected by breast cancer, find a cure for the disease, and prove that pink has power by the numbers.

To my Royals,

We did it! We survived football season! I am so incredibly proud of all that we have accomplished these past 10 weeks. Now, we're going to the playoffs! These games will be crazy and I'm so blessed to get to share it with all of you.

Seniors, we don't know which football performance will be our last, so soak in every minute of it!

Underclassmen, auditions are approaching and I plan to be there to support you! You are all so beautiful and talented. Remember to smile big, dance your best, and you'll be just fine!
